

### PARKING AT OUR 2 MECKLENBURG STREET PROPERTY

- ◆ Parking at our Mecklenburg property is by on-street permit, at the cost of \$7/week.
- ◆ Please provide vehicle make, model and license plate # in advance of your arrival if you will require parking so that we can procure your on-street permit from the city's parking commission and have it at the property for your arrival.
- ◆ Please note that the on-street permit is good for one zone only, NOT the entire uptown area (you will receive a brochure with your permit that features a map to indicate which streets are part of your particular zone).
- ◆ The City of Saint John employs alternate side parking; park on the odd-numbered side of the street from the 1st thru the 15th of the month, and on the even-numbered side of the street from the 16th thru the end of each month. As a courtesy, we remind in-house guests of the side change on the day vehicles need to make the switch from one side to the other, but you are advised to pay close attention to posted signage regarding such.
- ◆ If you are a long-term guest, we recommend you sign up for direct e-notifications from the City of Saint John. [Click here.](#)
- ◆ Call us at 506-693-1171 (877-859-3919 toll free) to order your on-street permit and provide your vehicle information.
- ◆ Please note that guests in suite #1 at 2 Mecklenburg Street have sole use of the building's private driveway.
