

Chipman Hill Suites

Dear Visitor,

Hello, and welcome to Chipman Hill Suites on the internet! It is our hope that as you “tour” through these web pages, you will feel at home in our beautiful heritage properties even if you’ve never set foot inside of one.

In 2019, Chipman Hill Suites celebrated a quarter century in business. Since that milestone anniversary, a lot has changed in our world, forcing us to be even more creative and industrious than usual in order to meet the increasing needs of travelers brought on by the pandemic. Thanks to our faithful partners, corporate clients, returning guests, and all of the new visitors who have given us a chance, we remain not only viable, but thriving, and we are so appreciative! We also recognize the efforts of our very hard-working staff who have learned new procedures, worked our front lines, and kept a welcoming smile on their faces all the while, despite their own personal uncertainties and fears. We salute them with sincere gratitude!

For 27 years now, your business has allowed us to employ up to twenty individuals on a full-time basis, as well as to protect and restore these wonderful historic addresses for future generations to enjoy. As you will see on the site, we cater to both nightly and extended stays. What the pandemic hasn’t changed: we still seek to provide an authentic accommodation experience, remaining true to the heritage qualities of our buildings while providing guests with modern services and amenities. Above all, whether you’re with us for business or pleasure, our goal is to ensure a spotlessly clean, comfortable and well-equipped suite. I encourage you to comb through the website thoroughly and see in greater detail what you can expect from a stay at Chipman Hill Suites, be it in our smallest, dorm-sized unit, grandest three-bedroom apartment, or anything in between!

Contact us directly to book your stay with us; one of our friendly innkeepers will be more than pleased to help you decide what type of suite will best suit your needs. In this day and age of online booking and mobile device "apps" we still feel that the best way to do business is in person and we'd love to talk with you! Our toll-free telephone number is 1-877-859-3919, but if you prefer e-mail, please reach out at sleep@chipmanhill.com. Thank you for your virtual visit, and we do so hope we'll have the opportunity to welcome you for a live, in-person visit at some point in the near future. We look forward to sharing our historic properties with you.

Yours in hospitality,

Susan Fullerton
